VOLUME EIGHTEEN — ST. CLOUD, OSCE OLA COUNTY, FLORIDA THURSDAY, JANUARY 20, 1927 — NUMBER TWENTY-TWO

STREET PAVING AND STORM SEWER WORK PROGRESSING

The Devine Construction Company, who have contracts for the cement street work on Massachusetts Pennsylvania, Florida and Indiana avenue, are making rapid progress on their contracts, laying approximately 2,000 square yards of cement street per day. Yesterday when the Tribune reporter watched the operation of the big concrete mixer and sprender they had over seventy men on the payroll, and with progress already made this week, expect to reach the railroad at Tenth street by Saturday, having started at the lakefront on Monday, taking the east side of Florida with their work. Graders are working ahead of the mixer and spreader and one of the finest jobs of road construction ever put in the city is being installed.

Down near the lakefront on Florida, where the soil was of a questionable nature the Devine Co. superintendent had installed of their own accord several thousand pounds of steel reinforcement, so that there would be no possibility of the original street work giving way from traffic.

As soon as the construction work reaches the railroad, the crew will turn back toward the lake and finish the west side of the street before undertaking the work from the railroad to Seventeenth street. This will open the northern end of the street to traffic while the south end is being completed.

The scene around the construction of these new streets is a busy one, and is attracting much attention from local taxpayers as well as tourist visitors now in the city.

The work of installing storm sewers and paving of Massachusetts avenue, Pennsylvania avenue, Florida avenue and Indiana avenue, has been progressing at a rapid rate during the past few weeks.

Paving and sewer on Massachusetts avenue has been practically completed during the past week, and work is being rushed on the other three streets called for in petitions filed by the property owners.

When this program, calling for improvements on Massachusetts, Pennsylvania, Florida and Indiana avenues is completed other streets are to follow according to information received by the Tribune.

The first concrete street work to be done was completed on Massachusetts avenue during the past week and thrown open to public use. This new type of street will also be constructed on Florida, Pennsylvania and Indiana avenues.

This week the huge concrete mixer and spreader was moved from Massachusetts avenue to Florida avenue, that street being the second one called for by petitions of the property owners, will be the second one to be completed.

Petitions are being prepared for a street connecting the west end of the city with the county road that is approaching the city from the Partin settlement along the lakefront, and other property owners are trying to get plans worked out to continue the paving along the lakefront to the east city limits.

It is hoped that the paving of Ohio avenue will follow that of the present program, as then the city will have six avenues paved from the south city limits to the lake front in rotation, and with a few blocks of cross street paving will have the entire center of the city better paved than can be found in any other small city in the state. A gap of Ohio avenue would make things look rather out of kelter in street paving.

The construction of the white way system on all these four streets now under paving construction, will be delayed about sixty days due to the fact that orders for underground cable for this job was so large no supply house in the state could fill the order from stock. To secure the cable direct from the manufacturers will require approximately ten weeks. This part of the job is expected to follow closely on the completion of the present paving contracts, however.

Property owners along Tenth street are this week working on plans to widen the street to accommodate the highway when the State Road department gets construction of the Melbourne road under way. Owners of property where the street must be widened have signified a willingness to give the necessary room to comply with the standard width of road desired. Surveys have been made in other parts of the city, looking to meeting the needs of the road department, should it be found impossible to get Tenth street right-of-way wide enough to meet the needs of the State Road department.

Florida avenue will be one of the most attractive streets in the city when the paving is complete, as there will be a double drive and center parks for a distance of sixteen blocks except from the Railroad to the Fire House, where necessity demands solid curb to curb paving. When the flowers and shrubs have been planted in the center there will be no more attractive place in the city.

"GREEN STOCKINGS" DRAWS A PACKED HOUSE

The three act comedy, "Green Stockings," given by the Dramatic Club of the St. Cloud High School, in the auditorium on Friday night, was greeted by a packed house.

The repeated applause from the audience gave expression of the splendid manner in which each character played their part. It was surely a cure for the blues. From the time the curtain went up until it fell on the last act, there was one continual round of laughter.

The cast of characters was as follows:

Celia Faraday—Dorothy George.
Mrs. Rockingham (Madge)—Florence Coyle.
Lady Trenchard (Evelyn)—Carol Henry.
Phillis Faraday—Martha Parker.
Mrs. Chisolm Faraday (Aunt Ida)—Essie Geiger.
Admiral Grice—Jean Flint.
William Faraday—Edward Thomas.
Cudonel Smith—Kenneth McGill.
Robert Tarver—Preston Johnson.
Henry Steele—Gerald Warner.
James Raleigh—Richard Helms.
Martin—Jay Morin.

DAVID JENNINGS ENTERS REAL ESTATE BUSINESS

In another place in this issue will be found the announcement of David Jennings adding to his other lines of business real estate.

Mr. Jennings has been in this city for a number of years and knows locations and values, having bought and sold much for himself.

After February 1st he will be found either in the office of Parker and Parker on Tenth Street or at his home on Kentucky Avenue and 11th Street.

ARCHERY TOURNAMENT COMING TO ST. CLOUD

There will be an Archery meet at the Municipal Ball Park at 3 o'clock on Saturday afternoon. The Orlando team will compete with the local archers for a beautiful silver trophy furnished by the St. Cloud Archery Club.

All interested in the ancient pastime will have an opportunity to witness some neat work by the crack shots of two counties. No admission fees charged. Every body welcome.

After the record shot is completed, Bows and tackle will be available for any one to use who would care to try their hand at the exercise which made "Merrie England" invincible in the days of long ago.

GETTING READY TO PLANT LARGE GROVE

It is the purpose of Johnie Johnston, former postmaster, to plant a number of acres to citrus fruit this spring on his ranch which is located east of the city on the St. Cloud-Orlando highway, on Runnymead Lake.

Mr. Johnston is just completing a ranch house out on this lake and with his family are spending part of the time enjoying living in the country. It is his purpose to make a very large grove as this is spendid soil and adapted to citrus growing.

BILL FOSTER ADDS A LUNCH COUNTER

The room formerly used as a kitchen at the Hotel St. Cloud has been remodeled and equipped by Bill Foster for a lunch counter with entrance on Tenth Street.

This will give added service to all who wish to eat at a time other than regular meal time, or who want a short order of any kind.

Remember the Oyster Supper at the Methodist Episcopal church, Tuesday. 60 cents per plate.

OHIO WINS PRIZE FOR LARGEST REPRESENTATION

The regular meeting of the Tourist Club was held Monday afternoon January 17th, at the Club House. President Hall presided. The meeting was opened by singing the first and last verses of "America" by the audience, after which Dr. Cook led in prayer. The St. Cloud yell was then given. The minutes were read and approved. The treasurer's report was $132.40 on hand.

It was moved and carried that the chair appoint a committee of four to count the membership of the different states as the roll was called. Mr. McKay, Mr. Goodman, Mr. Russell and Mrs. Roy Lackey. There were twenty-four states represented.

Upon count it was found that Ohio was in the lead, there being 144 present, and New York a close second with 87. Ohio won the large pineapple.

Mrs. Hickard, president of the Ohio Association, presented the pineapple to Dr. Hall, president of the Tourist Club, to be auctioned off to the highest bidder. Mr. McKay acted as auctioneer and it was sold for $4 to Henry Biedsendehl, of Ohio.

Mrs. Helen Alter who has so acceptably been acting as hostess during the evenings of the week the club house has been kept open resigned from this office. The resignation was accepted and the president appointed Mrs. Alter as hostess for one evening during the week and Mrs. Gunnison, Mrs. Henke and Miss Wolford for the remaining evenings the club house is kept open.

The program for the afternoon was given under the direction of Mr. McKay, chairman of the committee, and was as follows:

Violin and piano number by Mr. and Mrs. Raymond.

A reading by Miss Frances Nordike, "The House by the Side of the Road," giving an interesting introduction of how the poem happened to be written.

Mr. and Mrs. Raymond once more pleased with music.

Mr. McKay gave a reading.

REV. C. F. NEWELL DELIVERS ABLE ADDRESS

Rev. C. F. Newell, of New York, delivered an able sermon at the Christian church on Sunday night, subject "Hiding from God". He was greeted by a large and appreciative audience.

The Christian church under the leadership of Dr. E. S. Taylor is enjoying prosperity and spirituality. Having had four candidates for baptism two of whom were immersed in the lake here last Sabbath and two at Alligator lake, previous.

The choir under the leadership of C. C. Pike, with Mrs. Taylor as cornetist, and Mrs. J. Marsh as pianist, is doing some excellent work.

Every one is working hard and looking forward in the near future when they expect to begin building their new church home. This will give to St. Cloud another splendid church edifice.

APPRECIATIVE AUDIENCE GREETS BAND SUNDAY

Every available seat was taken in the Tourist Club House on Sunday afternoon and many sat on benches in the park listening to the musical treat furnished by the St. Cloud Band.

Wm. Seabridge, tenor soloist, was at his best, singing "Hark, Hark, My Soul," by Oley Speaks, and "The Lord Is My Light," by Frances, responding after each to encores.

Everybody enjoyed "The Hunting Scene" and "Lustspiel," and appreciated the work required and accomplished in order to present them in the short time Director Henke has had to carry but his ideas and standards.

The religious music was beautifully rendered and most gratefully received.

Leon Lamb furnished the program.

PETITION FILED FOR LAKE FRONT IMPROVEMENT

At a special meeting of the City Commission held on Tuesday morning, one of the most important items was the presenting of a petition for a 30 foot concrete road to be located 20 feet north of the property line on the lake front, from Massachusetts Ave. to the east of the city limits.

The work has been given to the engineers to make the assessment roll and to carry along at the same time in the same issue for concrete paving for Carolina Ave. from 10th Street to the lake and New York Ave. from 8th to the lake.

CHO-CHO HEALTH CLOWN

A rare treat for the children will be given by Cho-Cho Health Clown at the High School auditorium, Wednesday, February 9th, at 9:30 a. m.

This will be given to school children only.

Mrs. Geraldine Libert left Thursday for Wisconsin. During her stay here she made many friends who are sorry to learn she had to leave for her former home without opportunity of saying good bye.

ST. CLOUD DEFEATS KISSIMMEE IN A DOUBLE HEADER BASKET BALL GAME

The "Flying Eagles" flew over, around and under the "Cow Devils" here Tuesday evening to defeat them in a fast double header basket ball game.

The girls' game was featured by the good playing of the entire St. Cloud team. They showed good team work throughout the game. The girl's game ended 29 to 5 in favor of St. Cloud.

The boy's game was fast and interesting from the start to finish. The game was featured by the playing of every boy on the team to help bring victory to the local boys. The boys' score was 24 to 2 in favor of St. Cloud.

The "Flying Eagles" will journey to Apopka Saturday afternoon where they will meet the fast Apopka team in the second double header game with Apopka this season.

St. Cloud won both games from Apopka here two weeks ago and it is hoped that they will repeat the act again Saturday night. The game will be played in Apoka Saturday night, beginning at 7:30. If you can, go up and see a good game.

A goost supper at the Methodist Episcopal church on Tuesday.—60 cents per plate.

CHAMBER COMMERCE MINSTREL TO BE BEST OF SEASON

The rehearsals for the Chamber of Commerce Minstrels show to be staged at the G. A. R. Hall, Thursday night, January 27th at 8:15 o'clock are well under way. A number of surprises are in store for the folks of St. Cloud.

Joe Upton and H. H. Worm, of the Waltz Production Co., directing the minstrel promises to give the citizens of St. Cloud the best home talent production ever staged in the city, using 40 people in the opening number furnishing all flashy costumes and scenery.

Followed by Olio numbers featuring the "Charleston stopper", "Plantation slays", and "The black bottom" which is the biggest hit on the stage today, together with a number of other Olio acts.

After which follows "Mack Justice" a screaming force with twenty full minutes of laughter.

Tickets will be on sale at the Chamber of Commerce and Roberson's pharmacy, Saturday, January 22nd.

The friends of Mrs. Martha S. Payne, of Middleton, Ill., who has spent several winters in St. Cloud will regret that she is confined to her home with injured foot.

TELEPHONE REPRESENTATIVE ADDRESSES CHAMBER

One of the largest crowds of the season attended the luncheon of the Chamber of Commerce at noon Wednesday. President Landiss called the meeting to order requesting Dr. Hall to say grace.

After the minutes were read and approved the following guests were introduced: Dr. Cushman presented from the Badger state Misses Ruth Taylor and Frances Nordyke, who are winter guests in the city; Dr. Coleman introduced Mr. Greenman, representative of A. Haymaker presented friends, Mr. the Florida Telephone Corporation; H. G. A. Bleech introduced his winter and Mrs. I. T. Rhoades, of Kent, Ohio; guests, Mr. and Mrs. O. A. Roede, of Sheridan, Wyo.

President Landiss at this time called Mr. Greenman, representative of the telephone corporation, who was given a hearty greeting, which he said a telephoneman seldom receives. He made the statement that the corporation was proud of their holdings in St. Cloud, and that although in the past they had not been in step with St. Cloud and that the purpose of his visit was to work out more adequate service and set the state, Mr. Greenman said he had never attended a more interesting or enthusiastic meeting of a chamber of commerce.

Dr. Cushman-Griswold made an earnest appeal that our birds be safe guarded. After a lengthy discussion entered into by many, the following resolution was adopted, "Resolved that the president appoint a committee to appear before the City Commission and request that an ordinance be enacted licensing cats and a reward be paid for the pelts of rats.

B. L. Steen brought to the attention of the chamber the fact that the obstruction to the mouth of the canal that is causing the flood conditions during the rainy season is now in plain view and that it is an opportune time to have it removed, and with use of a drag line relief can be had. A committee composed of Lenox Trickle, S. C. Outlaw and H. A. Haymaker were appointed to see that this work is attended to at the earliest possible time.

Prof. Zetrouer came before the chamber in the interest of Benefit entertainment being put on by Cho-Cho Health Clown, which could be secured for one performance for $34 and by paying $10 extra the second one could be given for the parents and all who wish to avail themselves of this splendid program. Voluntary contributions to the amount of $20 were given, and it is expected the necessary amount for two entertainments will be raised.

Mrs. C. A. Dawley, president of the Parent-Teachers' Association, was present and announced the program to be put on next Monday night at the High School auditorium.

UNITY CIRCLE M. E. CHURCH ENTERTAINS VISITORS

The Get-to-Gether Entertainment given by the Unity Circle of the Ladies Aid Society of the Methodist Episcopal church Tuesday evening was a social event of unusual interest as so many of the guests were tourists from northern cities including several ministers and their wives who are spending a part of the winter in St. Cloud. The church parlors were tastefully decorated with a profusion of cut flowers artistically arranged in garlands, baskets and table bouquets, their fragrance making sweet the balmy air of the southland.

About two hundred guests were present, each one having a slip of paper bearing their name pinned conspicuously on front of dress or coat. This was a novel form of announcement and away with all formality. Every one seemed desirous of making others happy and no one was allowed to be a "wall flower" Methodist merriment is contagious and like the "Amens" greatly enjoyed.

After giving those present time to get acquainted, Mrs. Blackman (president of the circle) called the meeting to order and a short program was rendered. Dr. Hyndman being the first speaker gave the address of welcome on behalf of the church.

The next on the program was a song by Mrs. Knowlton, enthusiastically received.

A humorous reading followed by Mrs. Phillips was greatly enjoyed.

Welcome from the Sunday school by Mr. Ferguson.

Welcome from the Unity Circle.

Original poem by Mrs. Annable.

Song by Mrs. Henke, and Dr. Hyndman.

Reading by Mrs. Blackman, which finished the program and the social hour followed.

Refreshments were served by the committee to all who desired, consisting of delicious fruit punch, hot tea, crackers and cake.

Noted ministers from other states who attended the entertainment included Dr. Floyd, from Michigan Conference; Rev. H. A. Stevens, Indiana Conference; Rev. A. H. Readers, Indiana Conference; Dr. Pierce, Northern New York Conference; and Rev. J. R. Lockard. These ministers were accompanied by their wives.

Mr. and Mrs. Positous and son, of Chicago, are stopping with Mrs. James Burton of Missouri and Ninth street.

LEGIONNAIRES PLAN TO GO TO ORLANDO ON MONDAY

The members of the St. Cloud Post of the American Legion held their regular meeting at the club house at the city park Monday night, many being present.

Mr. Henry Caterer was elected commander of the post to fill the vacancy created by the resignation of Mr. Otto R. Bleech. Mr. Floyd Davidson was elected to the office of sergeant-at-arms.

A committee to make arrangements for the Legion show "Cupid Up-To-Date", to be held February 22nd, was appointed by the commander.

It was learned that several are expected to attend the conference at Orlando, Monday, January 24th, and all others who expect to go are requested to give in their names, stating also whether they have cars and if so how many they can take. Orlando will provide interest for all who go. "High Power" Savage, national commander, will be there.

The post adjutant has recently received some information on the Paris trip and all who expect to make that trip should so inform him.

A social was provided by the Auxiliary after the meeting.

NEW DIRECTORY TO BE ISSUED

A representative of the Florida Telephone Corporation Mr. A. L. Greenman, of Leesburg, made a short talk at the regular weekly luncheon of the St. Cloud Chamber of Commerce.

He brought out the fact that while St. Cloud had ample facilities for additional telephones the list was far from complete.

In fact many business firms at St. Cloud are without telephone connection at this time, and the Telephone company was desirous of installing new telephones in all places business and residence wishing the service, before the present issue of the new directory goes to press.

The new directory will be out about February 1st and those wishing telephones installed were asked to order them as early as possible.

St. Cloud should have a much larger directory than at present and yet a few telephone added will make the local service of that much value to the subscribers.

NEW PREACHING STATION

There will be preaching service next Sunday afternoon at the old Kissimmee Park Post Office at 3:00 o'clock. Rev. Bert Atchison will deliver the message. Sunday School service will be held at the same place at 2:00 p. m. Those desiring to attend from St. Cloud will take the new "Peghorn" road and follow it to the end—good road all the way. There will be preaching service held here on the second and fourth Sunday afternoons of every month. Strangers always welcome.

MISS OWENS TO ENTERTAIN FOR PARENT-TEACHER ASS'N

On next Monday evening, Miss Mary Owen, teacher in the local school, and school entertainer of wide experience, will give an entertainment at the High School auditorium under the auspices of the Parent-Teachers Association. Those who attend this entertainment are promised an enjoyable program of solos, readings, pianologues, etc.

Speaking of Miss Owen, the Montgomery (Ala.) Advertiser, says in part: "Miss Owen is a young lady of much charm and personality. Her talents are versatile. Besides being an accomplished musician she has shown real ability in dramatics." The Greenville (Ala.) Advocate says of Miss Owen: "She is very talented as an entertainer and tells a story in a most amusing way."

The regular meeting of the Parent-Teachers Association will follow Miss Owen's entertainment, and all are urged to attend this part of the program.

PRESBYTERIAN NOTES

The reception and intertainment provided by the committee appointed by the Ladies' Aid was voted a success Mrs. H. S. Dawley as Mother Goose and the children of the Sunday School pantomined many of the Mother Goose rhymes very affectively.

The stereopticon lecture, "The Transformation of the Alaskians," was attended by a good audience Sunday night.

The January meeting of the Women's Missionary Society will be held Friday afternoon, January 28th at 2:30 in the church.

It is hoped that each member will begin the new year right and resolved to be present at each and every meeting of the society during the year.

Miss Elizabeth Chapin is in charge of the program. China and the American Indian are the topics for discussion. Hostess for the afternoon are Mesdames Postum and Liggett. All women are cordially invited.

Dr. J. A. Price of Jacksonville preached Sunday evening to a large crowd at the local M. E. Church. The doctor has many friends in St. Cloud who are always glad to listen to his helpful sermons.

228 ACRE TRACT SOLD ON ST. CLOUD-ORLANDO HIGHWAY

When a man who has spent his life in this section invests in a tract of 228 acres of land it speaks for itself.

During the past week the firm of Johnston and Buehlen closed a deal for the tract of land on the St. Cloud-Orlando highway, leading through Narcoosee owned by Mrs. Phebe J. Hastings to J. R. Donegan, who lives near Narcoosee. This is a well located tract of land near the Rosemond Lodge. Mr. Donegan has not indicated what he plans to do with his new possession.

The Will of WM. SHAKESPEARE

160 years before the independence of America, that is to say in 1616, Shakespeare was doing that which every person in this enlightened age should do—writing his Will:

"In the Name of God, Amen. I, William Shakespeare" . . . But send for our Booklet entitled "Wills" and read the remainder . . . note with what care he disposes of even "his second best bed": the booklet contains also several other ancient Wills and much valuable information on this subject applicable to modern conditions.

OHIO MEETING

On Jan. 12th, at about 11 a. m., the Ohio people began wending their way to the club house in the park, and at about 12 o'clock the committee served a most delicious dinner to nearly 100 people, regardless of the fact that we were enjoying Ohio weather on this particular day. At the close of the meal grace was said by our rest chaplain, Rev. G. W. Brown, followed by the singing of the doxology. Very shortly after there were no more evidence of a meal and the room was in readiness for the afternoon session.

Mrs. Dora Richard seemed very much at home in her new office and opened the meeting with some very pleasant remarks. "America" was the opening song.

Chaplain G. W. Fenn being absent Rev. Dr. Hall was asked to invoke the divine blessings.

The Ohio song was sung by the audience.

Mr. H. J. Shore stepped into his new office with some very kind words for St. Cloud people.

The Florida song was sung with a renewed spirit.

The minutes of the last meeting were read and approved and the treasurer's report was given and accepted.

A rising vote of thanks was given to Miss Bertha Norris and her committee who managed the dinner in such a capable manner.

Mrs. Williams of Columbus, Ohio, expects to present our president with a gavel before our next meeting.

H. J. Shore was in charge of the program which was as follows:

"Won't Be the Tie that Binds."

Reciation by little Ann Proctor, "Grandpa's Spectacles."

Reading by Mrs. Bertha Kimball, "The Weather."

Violin and piano duet by Mrs. Geo. Bailey and Mrs. Wilson. For encore, "The Lights Along the Shore."

Reading by Miss Lounds, "Bunnie." She responded to a hearty applause.

Miss Etta Richard, "Hiawatha's Wooing."

Violin solo by Mrs. Geo. Bailey, accompanied by Mrs. Wilson.

H. J. Shore sang, "Last Night"; also "The Robin."

A little bird story by Mr. Sheffield.

GUESTS OF PENNSYLVANIA HOTEL

Mr. and Mrs. D. A. Mayne, of New Castle, Pa., and Mr. and Mrs. D. D. Swan, of Seymore, Conn., are at the Hotel Pennsylvania for the winter.

Both Dave and Dug are experts on the horseshoes and expect to make a fine records on the local courts.

Nick Rillo, of New Castle, is with us again. He is also an expert on the horseshoe grounds where his scoring is a wonder.

C. O. Morrison arrived last week and is mourning because he did not discover St. Cloud before.

Mrs. L. J. Bethune, of Wilkinsburg, Pa., has returned to the hotel and declares there is no place like the "Wonder City" to winter in.

DISTINGUISHED MISSIONARY FOR DEAF VISITS IN CITY

Rev. J. W. Michaels, of Mountainburg, Arkansas, who with his wife visited in the home of Mr. and Mrs. Frank E. Philpott last Tuesday and Wednesday, is a deaf Baptist missionary and has an extensive charge to look after in the Southern States extending from Texas on to Florida and from Virginia to Texas. Before he resigned to enter active ministry he was for many years head teacher and principal of the Little Rock (Arkansas) school for the deaf. Mr. Michaels is the author of "A Handbook of the Sign-Language of the Deaf."

He left this morning for Tampa and other southern parts and will be gone two weeks before returning North.

Mr. Michaels is just making a survey of missionary work in a few places in Florida. He says Florida is at present well supplied with missionary workers with the addition of Mr. Philpott for the Methodists. The deaf are largely Methodists and Baptists in the Southern States.

Mrs. Jennie Hall, of Kissimmee, was calling on St. Cloud friends Tuesday.

Honor To Whom Honor Is Due

JOHN CROSBY

Honor to whom honor is due. In the location of the St. Cloud-Melbourne highway, in the early history of St. Cloud, no little credit is due to John Crosby who died January 25, 1926.

A brief history of that important road will show his valuable connection with its successful location. The project was promoted by what was then known as the St. Cloud Board of Trade. It was first organized to secure the incorporation of the municipality of St. Cloud. Its president was J. W. Squires; vice president, F. F. H. Pope; secretary, B. F. Ralls; treasurer, D. H. Gill.

After the incorporation of the village, ten or a dozen of the members decided to continue the organization to secure such benefits to the village as could be secured. We first bent our efforts towards securing better railroad facilities and secured the erection of a new depot, as now constructed. Mr. Hale, the chief engineer of the branch of the F. E. C. now constructed through Holopaw, had his office here, second story over where W. G. King has his office now. He was anxious to at least have a branch, if not the main line, come to this place, and suggested plans by which we might get the road, but we could not get a definite proposition from the company on which we could unite. When, however, we arrived at something definite, we were informed that it was too late, and they refused to move from their decision, although they sent a representative to confer with us. That has never been satisfactorily explained to me.

Later, some gentlemen from Harrisburgh, Pa., with Mr. Hopkins, dickered with us on a line from Melbourne northwest, but there was some hitch about some timber lands, and we shifted our efforts in the direction of a highway to the east coast. We secured such maps, including government sectional maps, as we could get, all of which proved to be imperfect. We laid out four routes, three of which ended in uncharted lakes or swamps. The last one promised some success to the north of Lake Winder.

I was sent over to three places on the east coast to see what encouragement could be received from that quarter. I received none, and one man in Titusville was rude and insulting. The mission was not unfruitful, however. Mr. Hopkins, then living at Eau Gallie, wrote me to meet him which I did at his place of residence. I remained over night at the hotel and the following day, accompanied him to Melbourne and over a part of the proposed route of the high way to St. Cloud.

He assured me that we might expect a welcome from Melbourne. He then wrote a communication for the Kissimmee Gazette, which appeared the following week in that weekly.

We then turned our efforts in the direction of Melbourne by-way of the Crab Grass route. A bunch of us went to that route, got stuck in a ford and was compelled to remove our shoes and stockings and pants, and wade out, attach a rope to the axle, and pull it from the deep water. We then proceeded and came up in a rank submerged area known as the Jane Green swamp. We returned the same evening sadder than when we left in the morning. A gentleman by the name of Enoch Allerton, a famous hunter and guide, then lived in the village. I found him and asked for such information as he was supposed to possess. His answer was that there was only one man that he knew of that could give us the desired information and that was John Crosby who lived where Heberew now s built. He gave me directions as to the route to reach his habitation. He told me that Aeklins Bass would drive over the route at a certain date with Mr. Hale, the engineer, and that I might follow him. Accordingly I found my way to Mr. Crosbys. I found him before I reached his house. After explaining my mission to him, he promised to meet us and give us directions. A few days later he came to town and we had a very satisfactory conference. The conflicting portions, sometimes serpentine, paths through the woods, laid out and need to avoid natural obstructions, gave us some confusion, but when he understood our object he enabled us to straighten out the route, and when done it was very easy, as now laid out and constructed. He proved to be a well-schooled and intelligent man that welcomed improvements. I am informed that he was employed to direct the F. E. C. Railroad branch through the eastern part of the county, but I only speak of what I know. His name will always justly be associated with the location of the St. Cloud-Melbourne highway.

When we had obtained the desired information, Dr. Ferris, Captain Ferris and myself was appointed a committee to lay the matter before the County Commissioners and let Schofield the desirableness of a road to the east coast. By appointment we met them. They designated 1 o'clock as the hour, to bring the matter up. We were on hand at the appointed hour. I was designated as the one to present the matter, which I did, and was turned down flat. As soon as I was through with what I had to say, without further ceremony or discussion, the president of the board adjourned the meeting and we returned home wiser and sadder. Our Board of Trade met and decided to employ an attorney determined to incorporate a company to construct the road. After a few days our attorney informed us that it was useless to construct the road as it was the county's duty to construct it, and that we should bend our energies in that direction. I looked black for us. Then we were informed that certain parties from Kissimmee were running a line north on the east lake to intercept our line east of Lake Lizzie. When he heard this, we decided to employ an attorney from another city. While we were deliberating on the matter, one day Mr. Triplett, then the editor of the Tribune, came into my office with a newspaper report of the new road district law that had just been passed by the Legislature. After I had examined it carefully, I decided that it would fill our wants, and therefore laid it before our Board of Trade. We acted upon it immediately as a friend indeed and indeed. After the law as found in the newspaper had been verified as correct at Tallahassee, a meeting of the citizens was called and endorsed by the meeting. The boundaries of the special district and the direction of the road established and the machinery of execution set in motion.

Deer Park, as a village, did not then exist, but the Cypress Company then constructed a log road from Hopkins to that village. Mr. Hopkins extended an invitation to our members to come over and see him. A bunch of us went to Deer park by way of Crab Grass pond, and again stuck in the ford of that creek, but reached Deer Park, then in the making, in the woods, where a train of cars conducted us to Melbourne, where we were treated royally, and later returned to Deer Park, from where we returned home by auto.

There are a great many other unpleasant features connected with the establishment of the road and development of the project.

Most of the promoters of the project are either dead or have moved away. Captain Ferris, W. G. King and myself are all that are living in St. Cloud; Squire Ralls, Dr. Ferris, Brinkerhoof are dead; Frost lives on the west coast, Gill in the northwest. I have lost trace of probably one or two others. I give this from memory and may be in error as to some.

After the project got under way others allied themselves with us and fought valiantly, but I cannot recall all names.

I have been informed that a certain civil engineer has said that the line could have been laid seven miles shorter than it now has been constructed on. I have some data on the matter which I have lately examined and I am convinced that hardly a mile could have been cut off without going through almost impenetrable swamps, or going through Alligator Lake and encountering other difficulties.

DEATHS AND BURIALS

COMRADE ALONZO VINCENT

After a lingering illness the end of suffering came to Comrade Alonzo Vincent on Thursday, January 12th, at the age of 87 years.

With his wife he lived at the corner of Wyoming Avenue and 11th Street and was among the first settlers coming here from Ohio sixteen years ago.

The funeral was held at the Elmelein Bros. funeral home on Friday afternoon conducted by the Rev. W. Frank Kenney, with burial at Mt. Peace.

MRS. PHEBE J. HASTINGS

Mrs. Phebe J. Hastings, widow of the late George Henry Hastings, after only a few hours of illness died suddenly Thursday, the 13th, at her home on Florida Avenue.

The body was prepared for shipment to their former home at LaPlata, Mo., where the funeral services will be held.

The remains were accompanied by George H. Hall, a nephew of the deceased, and Gale White.

MRS. JOHN WARD

After months of suffering, Mrs. John Ward, formerly of St. Cloud, died at Lake Alfred, Saturday at noon.

Some weeks ago Mrs. Ward, in company with her husband, Comrade Ward, came back to make all arrangements for her funeral being conscious but all that was possible had been done but to no avail, and that the end was not far away.

Mrs. Ward, formerly Dr. Johnston of Lake Alfred, after her marriage to Mr. Ward, came to St. Cloud to live.

She was an ardent Christian lady, was superintendent of the First Baptist Sunday School, and also active in W. C. T. U. work.

The Elmelein Bros., with whom she had arranged, were called and brought the remains here where they were prepared for burial. The funeral was held from the Baptist Church, of which she was a member, the services being conducted by the pastor, Rev. B. Atchison at 3:00 o'clock Sunday afternoon, with interment at Mt. Peace.

NATIONALLY KNOWN SPEAKER GREETED BY PACKED HOUSE

The First Baptist church was crowded Monday afternoon with ladies who listened to the address of Mrs. Lulu Loveland Shepherd, of Salt Lake City, Utah, on "The Mormon Menace."

Mrs. Shepherd has lived for more than a quarter of century in Salt Lake City, and has first hand inside information of Mormonism standpoint of its missionary propaganda, its polygamous teachings and practices, its political, commercial and financial power within the life of the nation.

There was not one dry moment from the time this wonderful woman, nationally known as "The Silver Tongued Orator of the Rockies" began to speak until the close. All who had the good fortune to get into the church, declare this to be one of the most thrilling and enjoyable addresses ever listened to, filled with stirring recitals of aggressions of Mormonism.

Mrs. Shepherd is devoting her entire time to this work under the auspices of the National Reform Association, of Pittsburgh, Pa.

Widows' Pension Bill Now Being Considered By Congressional House

MEASURE GRANTING $50.00 PER MONTH TO EVERY CIVIL WAR WIDOW MARRIED PRIOR TO JUNE 27, 1905, RECEIVES UNANIMOUS INDORSEMENT OF HOUSE COMMITTEE ON INVALID PENSIONS.

In the House of Representatives December 6, 1926, Mr. Elliott introduced the following bill, which was referred to the Committee on Invalid Pensions and ordered to be printed January 5, 1927; committed to the Committee of the whole House on the state of the Union and ordered to be printed.

A bill granting pensions and increase of pensions to widows and former widows of certain soldiers, sailors, and marines of the Civil War, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, that the widow or remarried widow of any person who served in the Army, Navy or Marine Corps of the United States during the Civil War for 10 days or more, and was honorably discharged from such service, or regardless of the length of service was discharged for or died in service of a disability incurred in the service and in the line of duty, such widow or remarried widow having been married to such soldier, sailor, or marine prior to the 27th day of June, 1905, shall be paid a pension at the rate of $50 per month.

Sec. 2. That the pension or increase of pension herein provided for, as to all persons whose names are now on the pension roll, or who are now in receipt of a pension under existing law, shall commence at the rates herein provided on the fourth day of the next month after the approval of this Act; and as to persons whose names are not known on the pension roll or who are not now in receipt of a pension under existing law but who may be entitled to a pension under the provisions of this Act, such pensions shall commence from the date of filing application therefor in the Bureau of Pensions after the approval of this Act in such form as may be prescribed by the Secretary of the Interior: Provided, That the issue of a check in payment of a pension for which the execution and submission of a voucher was not required shall constitute payment to the event of the death of the pensioner on or after the last day of the period covered by such check, and it shall not be canceled, but shall become an asset of the estate of the deceased pensioner.

Sec. 3. That no claim agent, attorney, or other person shall contract for, demand, receive, or retain a fee for services in preparing, presenting, or prosecuting claims for the increase of pension provided for in this Act; and no more than the sum of $10 shall be allowed for such services in other claims thereunder, which sum shall be payable only on the order of the Commissioner of Pensions; and any person who shall directly or indirectly otherwise contract for, demand, receive, or retain a fee for services in preparing, presenting, or prosecuting any claim under this Act, or shall wrongfully withhold from the pensioner or claimant the whole or any part of the pension allowed or due to such pensioner or claimant under this Act shall be deemed guilty of a misdemeanor, and upon conviction thereof shall for each and every such offense be fined not exceeding $500 or be imprisoned not exceeding one year, or both, in the discretion of the court.

Sec. 4. That all Acts and parts of Acts in conflict with or inconsistent with the provisions of this Act are hereby modified and amended only so far and to the extent as herein specifically provided and stated.

THREE THIEVES

Tom, Jock and Pat had stolen a horse, cow and a cart. They had been conducted to the police station. The officer in charge first turned to Tom, inquiring how long he had had the horse. "Ever since it was a colt," said Tom. Next the officer turned to Jock, asking how long he had had the cow. "Ever since it was a calf," replied Jock. Finally Pat was asked how long he had had the cart. Pat looked puzzled and began scratching his head. At last he cried: "Faith and begorry! Ever since it was a wheelbarrow."

As usual real estate sales are becoming more brisk in the St. Cloud section. All good sales usually occur in the late winter and early spring.

It won't be long until another addition to the city power plant will be imperative. We grow so fast that every two years the power plant has to be enlarged.

Sam Brammer, who has been local auto license tag agent for the State Comptroller, has been giving Osceola county some good service in the issuance of tags and certificates of titles. Sam always was an accommodating fellow.

Condition of citrus trees in the St. Cloud section of Osceola county was so favorable when the little cold spell came the other day that no real damage has been reported. Our trees were in good shape to stand a few hours of "low temperature" without material damage.

Everybody in St. Cloud is wishing G. C. Hunter an "armful" when the "Hunter Arms" Hotel is formally opened this week. Hunter has been one of the city's greatest developers and has done all his improvement work without any stock-selling or bond issues. May we have more like Mr. Hunter.

St. Cloud is making rapid progress in street paving. Massachusetts avenue has been surfaced with concrete after the storm sewer system was installed for the full length of that street, and work is under way on Pennsylvania, Florida and Indiana avenues. Approximately six miles of concrete streets will be completed within a few weeks.

THE BEST KIND OF GOVERNMENT

St. Cloud is this month completing its second year of the new form of Commission-Manager City Government, and has behind these two years the most progressive record in the history of the city.

More actual development has been accomplished in the past two years under this new system than at any time in the history of the city.

Beginning with the election of a charter board, work was undertaken in preparing a charter for the city by the board elected by the taxpayers. When this board had examined all charters of cities throughout the state, they presented to the voters a brief but concise charter to be considered, and after full discussions and the publication of this charter, the same was adopted by an almost unanimous vote of the taxpayers of the city and the new form of city-manager government went into effect, even speeding in on terms of office of the old council form at that time.

There has been more home-building, more business building and more general public improvements inaugurated in the city of St. Cloud during the two years of this new form of government than ever before, and the end is not yet in sight. In fact there will be no end to the progress made by the city and its people. Every new improvement made encourages some other person to undertake some new enterprise. All these developments add to the value of the city and to the beauty of the town as a place to make a permanent home, and this system is attracting new people of the substantial class, who have money to make real homes here.

St. Cloud enjoys the distinction of having one of the best city charters in use in the state, the action of the charter board and the vote of the people having been approved by the Legislature.

THE CEMETERY ASSOCIATION

The Cemetery Association will meet in the W. C. T. U. Temple on Wednesday, January 26th, 1927, at 2:30 p. m. Election of officers and other business of importance will be transacted. A full attendance is requested. By order of the president.

BAPTIST CHURCH

On account of the cold weather last Sunday morning our attendance at Sunday school dropped from 261 to 193 nevertheless there was a good congregation present for both the morning and evening service. The church can be made quite comfortable now with our new furnace no matter how cold the weather is, this fact is lending many to attend even when the weather is cool that otherwise probably would not venture out for fear the room would be too cold.

The pastor preached last Sunday morning on the "Importance of the Prophetic Scriptures" and in the evening on "What Thinkest Thou, or Some Impossible Things for the Unsaved to Think About." Almost 100 were present for the lecture of the Book Daniel last Wednesday evening, the lesson being the ninth chapter of the book, these lectures will continue until a systematic study is made of the entire book.

We are all looking forward to a great treat during the Bible Conference to be held at this church beginning with Sunday, January 30th and running three weeks. This conference is held under the auspices of the Moody Bible Institute of Chicago. The speakers for the occasion will be Dr. Henry Ostrom the great Evangelist and Bible teacher known all over this country and England also Dr. C. Edward LaBeau who is another able Bible expositor and wonderfully used in Bible conferences held all over the country. These Bible Conferences will also be held in Miami and St. Petersburg and the people of St. Cloud may feel very fortunate in having them come to our city.

The funeral service of Mrs. John Ward was held in the church last Sunday afternoon. Up until the time of her illness Mrs. Ward was a very active member in all departments of church work, our heart goes out in sympathy to the bereaved husband and family in their sorrow. Many new faces were seen in the audience last Sunday we welcome these friends back to our services again, also the strangers that were there for the first time.

Lesson for the Whosoever-Will Bible class next Sunday morning will be the fourth chapter of Acts. If you have never attended this class taught by the pastor, try it next Sunday morning at 9:30 average attendance now running about 125 every Sunday.

ST. CLOUD APOLLO CHORAL SOCIETY REHEARSALS

Hereafter the rehearsals of the Apollo Choral Society will be held on Monday night at the Tourist Club House in the City Park.

ST. LUKE'S EPISCOPAL MISSION
Rev. Albert New, Priest in charge

The worship of the day, Sunday, January 23rd, will begin at 8:00 a. m. with the celebration of the Holy Communion.

At 9:45 a. m. the church school will be held.

Morning prayer, with special music, at 11:00 o'clock.

The sermon topic will be "A Chosen Vessel."

The chancel window, the gift of the Sunday School, will be dedicated at the beginning of morning prayer.

The Young People's Society will meet at 6:00 p. m. when an address will be given by Rev. Gould.

At evening, 7:30 o'clock, the offertory solo will be sung by Mrs. Drayton, of Narcoossee. The rector will preach on, "The Lord's Supper."

Everybody is most cordially invited to all our services.

YOUNG PEOPLES UNION MEETING

The Union of the Young Peoples meetings of the city churches will be held at the Christian church, Wednesday evening on the 26th of January.

The Methodist Young People will have charge of the devotional hour and the Christian young people the social hour.

A good time is assured. Everybody invited to come out and encourage the young people in their work.

Mrs. Anna B. Wiley, of Washington, D. C., is visiting at the home of Mrs. Helen B. Strait, on New York avenue, and will probably remain in St. Cloud until March. Mrs. Wiley is Past Matron of Naomi Chapter No. 2, Order of Eastern Star, Washington, D. C., a member of the Grand Chapter and a Past Grand Chaplain of same.

J. M. Knepp, of Hamden, Ohio, has returned Sunday to spend the remainder of the winter with his niece, Mrs. M. G. Schutzman.

Mr. and Mrs. J. E. Russell spent the week-end with Mr. Russel's sister, Mrs. F. James, at Lake Helen.

A HAPPY NEW YEAR

Will naturally follow the erection of a home built of concrete blocks, the new handsome and durable substitute for brick and ordinary stone. These are scientifically made in uniform shapes and sizes, and are easily handled, laid and fitted without breaking or cutting. They are both damp and fire-proof.

FIFTY-FIFTH WEDDING ANNIVERSARY

Fifty-five years of wedded life are not so common that they should be allowed to pass without any acknowledgement of their unusual character. So thought a few of the many friends of Mr. and Mrs. Wm. De Noyer, who surprised that worthy couple by making an anniversary visit on last Monday evening.

The motives of the visitors were duly appreciated by the host and hostess, who made the evening exceedingly pleasant and showed their appreciation in many ways as the evening progressed.

Thus courage and strength may be imparted by little acts of appreciative recognition of the fine qualities of those who are fighting the good fight all about us.

The good wishes of the community will go out to these good people who have traveled together for more than a half century, in the interest of Christian civilization.

NOTICE OF TEACHERS' EXAMINATION

The Teachers' Examination for all grades of certificates will be held at the Court house, Kissimmee, Florida, beginning at 8:30 A. M. on Thursday, Friday and Saturday, February 3rd, 4th and 5th, 1927. Enrollment blanks will be furnished on application at this office. Applicants for Professional or Special Certificates must make application to the State Superintendent for permission to take the examination. Blanks for this purpose may be obtained from the County Superintendent.

Persons desiring to claim exemption on their Florida certificates must file same with the County Superintendent, prior to the examination. A certificate of good moral character signed by two responsible persons, together with one of the following fees, must accompany each application for admission to the examination:

For Third Grade, $1.00; Second Grade, $1.50; First Grade, $2.00; for Primary, $2.00; for Special, $2.50. Notify the County Superintendent on or before January 25th, 1927, if you expect to enroll for the examination.

SAM BRAMMAR,
County Superintendent of Public Instruction, Osceola County.

METHODIST EPISCOPAL CHURCH

Peter G. Hyndman, D. D., Minister

In spite of the extreme cold weather on Sunday a large congregation assembled both morning and evening. Dr. A. J. Price, of Jacksonville, district superintendent, preached at the evening service. He delivered a most interesting and illuminating sermon on "The Rich Fool."

The church reception on Tuesday night sponsored by the Unity Circle of the Ladies Aid, was an unqualified success. The president of the circle, Mrs. Blackmun, and her corps of efficient helpers in the circle, deserve the highest praise for their splendid service in thus strengthening the bonds of fellowship and sociability.

A special musical feature of the service next Sunday morning will be a vocal selection by Miss Kenyon, of Syracuse, N. Y. Miss Kenyon has won high repute as a soloist in one of the largest churches in Syracuse. She is wintering in Orlando and through the good offices of some of our St. Cloud Methodists has been persuaded to come over for the Sunday service.

The Livington Women's Club was organized on Friday of last week and is already busy planning for the season's program. Mrs. Helms is the president.

The senior circle (Mrs. Flora Cox, president) announces an oyster supper to be held in the annex of the church on Tuesday.

CENTRE PARK CHRISTIAN CHURCH

Sunday, January 23
Rev. H. C. Botsford, Pastor
Geo. Rickett, Supt. Bible School

Bible school at 10:00 a. m.

Morning worship at 11 a. m. Sermon by the Pastor. Subject, "Climbing Into Heaven," or "Have You Received the Keys."

Christian Endeavor at 6:30 p. m. Subject, "How Can We Train for Service."

Sermon at 7:30 p. m. Subject "The Devil's Excuses."

If you are in doubt as to your soul's salvation or you want to know how to start a Christian life, come and hear these sermons from God's own word. All are welcome. Ask your friends to come with you.

CARDS OF THANKS

We wish to thank the kind friends and neighbors for their loving words and assistance during the illness and death of our beloved Aunt.

VETERANS ENJOY GOOD PROGRAM ON LAST SATURDAY

The Veterans' Association was called to order by the president, Comrade Lathrop, followed by singing of "America" and prayer by E. M. Bennett. The minutes of the last meeting were read and approved. The Florida song and St. Cloud yell were then given. Collection taken and announcements by the president.

Mrs. Bricker announced the tourist meeting at the Club House in the park Monday at 2 p. m. and that the state having the largest representation would be presented with a box of Florida grown strawberries.

Mr. Goodman urged all to buy song books alike, so all could sing together.

Mrs. Brand who had charge of the social hour told of a wonderful lecture that would be given at the Baptist Church Monday, Jan. 17th, by Mrs. Lulu Loveland-Shepherd, inviting all ladies to attend, it being for ladies only.

Mrs. Perkins told of some things she heard when a young girl.

Mr. Shore gave a 15 minutes song service, singing with the audience, "The Battle Hymn of the Republic," "Parting on the Old Camp Ground," "When Johnnie Comes Marching Home Again," and "Just Before the Battle, Mother."

Mr. Perkins asked that all of the "Star Spankled Banner" be sung and that none should leave the room while they were singing, which met with applause.

A number of flute solos were played by Mr. Brimhall, accompanied by Mrs. Clark.

A reading by Mr. Lathrop, "Just What Do They Want."

Mrs. Houseman spoke of her work among the W. C. T. U.

Dr. Hyndman was called to the platform and told of some of his observances in the foreign field. In closing Dr. Hyndman said, "We are out to win victory and we are going to win," and was enthusiastically applauded.

Mrs. J. J. Johnston and Mrs. Sam Brammar sang "America For Me," accompanied on the piano by Miss June Johnston.

This closed the social hour, after the singing of "The Star Spangled Banner."

The next meeting will be in charge of the Union Daughters of Veterans.

GALION GARDENS

G. C. HUNTER SAYS

That soon the tourist will be coming from the cold of the north, a natural movement after the Holidays, and that every citizen of St. Cloud should talk and preach the advantages of this community; that they will return here next season for it is just a step from the tourist to the state of citizenship, further enhancing the growth and prosperity of St. Cloud. Today Galion Gardens offers the best value for the money of any residential section of the city.

Getting Up Nights

For Bladder Relief is Nature's Danger Signal. Columbus Minister's Wife Relates Experience.

Rev. W. H. Mitchell, 324 No. Park St., Columbus, Ohio says: "My wife was troubled seriously with bladder irritation until we used Kidlated buchu (Keller Formula.) She would have to get up 6 to 8 times each night. Will gladly answer any letter."

Kidlated Buchu acts on the bladder as epsom salts on the bowels. Drives out foreign matter and diseases excessive acidity, thereby relieving irritation. Two tablets cost 2c each at all drug stores. Keller Laboratory, Mechanicsburg, Ohio. Locally at Robergon's Pharmacy.

NINETY-TWO YEARS YOUNG

On Friday, Jan. 7th Mr. Joseph Montany, of South Florida avenue, reached his ninety-two mile stone. His wife very pleasantly surprised him by inviting in a few friends to help him celebrate.

Mr. and Mrs. David Winkler, Mr. and Mrs. Wm. Belgle, all of St. Cloud; Thos. Gillett, of Boston, Mass., Mrs. Elsie M. Knell, of Hoopestone, Ill., were those invited. The evening was spent in a social way the three veterans recalling their experience of the war of the Sixties.

Refreshments were served by Mrs. Montany and the guests departed wishing their host the blessing of many more happy years.

LOOK FOR THE GOOD

Call me a dreamer if you will, but I have an idea that there is more of good than of bad in the world; that men and women are all right if you look for the all rightness; that love is a better investment than hate; that the quickest and surest way to win happiness is to give it to others. I want to love everybody. Yes, there's just a chance that I'm a fool. But it's my own life, you know, and I can live it my way.—If folks want to lie about me, I prefer to keep my mouth shut and let the lies get all tangled up among themselves. They always do . . . I shall go on heaving as close to the line of usefulness as I can. I shall continue to like good books good music, flowers, sunsets and the laughter of children . . . . Once in a while I shall slip up on my own ideals perhaps, but by and large this old earth isn't going to be any worse for my having lived . . . . Snicker, if you care to. I won't see or hear it. I am seeing and hearing only the wholesomeness in the hearts and on the lips of my fellows. That way means peace for me. And that is the way I shall travel. Won't you come along?—J. P. Fielshman, in Play.

ODE TO ST. CLOUD

The following original poem by Mrs. Tebbets was read at the New England Society meeting last week:

I come from the hills of New Hampshire
That now wears a snowy crown,
And many I've met here that here represent
My own New Hampshire town.

We are tourists here in the city of St. Cloud,
So let us make to do our selves proud
In getting acquainted and do our best
To make this winter a vacation and rest.

When winter has passed, may each of its treasure
The many good things that's done for our pleasure,
Let's look for the beautiful that's in this town
With never a knock or even a frown.

Let us do all we can to boost St. Cloud,
Don't just whisper it, but speak out loud.
We must look around to see what's been done
To make it beautiful when the tourists come.

We are here in the land of sunshine and flowers
And many are seeking health,
While some are here on pleasure bent,
And others are hunting for wealth.

Here's where you'll see the grapefruit groves
With tons and tons of fruit,
That pleases the eye and also taste,
Unless you are hard to suit.

And orange trees how beautiful
Their limbs with fruit are bending;
Here's where they raise the golden fruit
And to the north are sending.

And as you walk through all the streets
You'll see the rose in bloom,
Which brings a thought to tourist mind
Of home and the month of June.

This beautiful park right here in full view
With all kind of games planned out for you,
With plenty of seats that each enjoys
And a fine meeting place for our soldier boys.

And if you love good music,
Come often to the city bandstand,
Where every week there is music sweet
Played by the St. Cloud Band.

Then if you wish a right good time,
Go down to the sandy beach
With basket lunch and bathing suit
Means a jolly good time for each.

And look to the west when the day is done
To watch the colors of the setting sun.
There is blue and gold and red and green,
The prettiest sight that is ever seen.

And as you watch the sinking sun
With colors rich and grand,
We know the painting being done
By God's own skillful hand.

So today we are here in the sunny south
Far from our northern homes,
But let the spirit of friendship dwell
Wherever we may roam.

And every Sabbath go to church
To hear a sermon fine,
For every pastor here will give
You a welcome any time.

And when next winter comes around
The thing I hope you'll do
Is to buy a ticket for St. Cloud—
A welcome will be waiting you.

Mrs. F. M. C. Howley and Mrs. H. M. Millican attended a dinner dance at the opening of the Mr. Plymouth Hotel Wednesday.

Have you had pleasure of riding on the new pavement on Massachusetts avenue?
If not, why not?
We have a few choice lots on that beautiful avenue also on Florida avenue.
Buy now before the other fellow gets ahead of you.
Let us convince you of benefit of good streets.

WAKED IN NIGHT IN AGONY OF PAIN
Better in twenty minutes after simple home treatment
Seized in the night with a pain in her side like pleurisy, an Oakland, California, woman got quick and complete relief by prompt home treatment.
"I applied Sloan's Liniment," she writes, "and now I shall never allow one bottle to be empty before buying another. In twenty minutes I was better. In a very short time—peacefully asleep."
The reason that Sloan's gets these remarkable results is that it doesn't just deaden the nerves. It stirs up your own curative forces to throw off the conditions that are causing the trouble.
Put it on lightly—no need to rub. It's the medicine that does the work.
Immediately you feel a warm, comfortable glow as fresh, healing blood begins circulating through the affected spot. Tense, contracted muscles relax, congestion is broken up, the pain stops. So clean, pleasant and easy to use, too. All druggists—35 cents.

CONGRATULATIONS

To the Owners of the New Hunter Arms Hotel

THROUGH the ages men have found that the greatest treasure and the richest rainbow end lies more often closest home. They have found that foresighted investment in the home-town properties they know so well is a surer road to competence than speculation in distant properties over which their vote gives them no measure of control.
